PERFORMANCE AWARD OF MERIT APPLICATION

To be eligible for this award a dog must have completed titles in three (3) different performance areas including Obedience or Rally, Herding, Agility, Tracking, or GSDCA-WDA Working Dog Titles.

- One of these titles must be from The Most Advanced Level of training for that performance venue.
• The two additional performance titles can be at any level of training, but must come from two (2) different areas of performance.
• Because of the similarities in the exercises, Obedience and Rally are considered one performance event. The Rally Excellent (RE) title is NOT accepted as one of the most advanced level titles.
• All Herding classes are considered one performance event. All Agility classes are considered one performance event.
• Because of the similarities of the Schutzhund Tracking and Obedience to the AKC Tracking and Obedience the lowest acceptable performance title for Schutzhund will be the Schutzhund 1 degree.
• The owner of the dog must be a GSDCA member in good standing ( BEFORE) the requirements for this award are completed.
