2018 NATIONAL FUTURITY SHOW

Objectives of the Futurity Program

In 1984, the Futurity Re-Evaluation Committee, headed by Connie Beckhardt, listed the objectives as follows:

- To bring together each year as many young animals as possible from different bloodline combinations so that the fancy can share and learn by the accomplishments of each other.
- To provide all club members, large breeders or single puppy owners alike, the opportunity to compete, year after year, under conditions equally favorable to all.
- To provide an incentive to improve Shepherd bloodlines and add to the excellence of the breed as a whole. The Futurities provide the breeder with the opportunity to nominate his/her litter as a statement of faith in his breeding program.
- To provide a means of early identification to breeders of the strength and weaknesses of current stud dogs.
- To provide a judging environment that will promote the highest level of sportsmanship, thereby eliminating direct perceptions of unfairness.

NATIONAL PRIZES

The German Shepherd Dog Club of America, Inc. will award a Silver Medal to the Best in Futurity and Maturity and the Best of Opposite Sex to Best in Futurity and Maturity at the National Show.

Three ROM points will be given to the sires & dams of the Best in Futurity, Best of Opposite Sex in Futurity, Best in Maturity and Best of Opposite Sex in Maturity at the National Speciality Show.

Futurity and Maturity Victor & Victrix each will be featured on a cover page of The German Shepherd Dog Review.
