

GSDCA ATAA Judge's Attestation Letter

This form, or something similar/equivalent needs to be submitted when the below listed dog/progeny is added to the ATAA program for point consideration for the first time. It is not needed in subsequent years. The purpose of the form is to affirm that the dog has no disqualifying faults per the breed standard and no major temperament faults. If the dog has won a placement ribbon/rating in an AKC or SV show, you do not need this form, but will need to provide the proof of the show results.

Registered name of the progeny: _____

AKC#: _____ Date of birth: _____

Color (circle one): Sable Black & Tan/Red Bicolor Black

Coat: (circle one): Stock coat Long coat

Sex: (circle): Male Female Intact Altered

I _____ (print name) hereby attest to the fact that I am a current AKC (conformation or performance) judge, or a licensed veterinarian and that I have examined this dog today and certify that he/she (circle one) is a purebred German Shepherd Dog free of disqualifying physical or temperament faults in order to participate in the ATAA program:

- no cropped or hanging ears
- no dogs with noses not predominantly black
- no undershot jaw
- no docked tail
- no white dogs
- no dogs that attempt to bite people
