Only certifications from National, State or City/County organizations will be recognized. Points will be awarded for first certification only. If applicable, one re-certification will be allowed for the same dog each year.

IMPORTANT!

All awards must be documented with a copy of the Issuance of Title / Title Certificate from the AKC, GSDCA, GSDCA-Working Dogs or / Face page of GSDCA publication and Copy of "Review" page listing said title or certification. If your dog has earned an AKC/AKC recognized title and/or your club has participated in an event/activity not listed above, please write in the title/event, provide proof, and if approved, points for that title or club participation will be awarded accordingly. [Note: The first page of this form MUST be completed for EACH dog. You need only print/submit those subsequent pages containing particular titles for your dog. A separate form must be included for each club's collective/group contributions with the name of your Regional Club Challenge Representative.]
