Directions to the Trial Site / Parking Instructions / Special Set Up Instructions

From the North or South:

Exit Lewis Road from US-101 North or South, proceed south on Lewis Rd (past Pleasant Valley Rd) until you get to University Drive. There is a stop light at this intersection and it is on top of a rise in the freeway (similar to an overpass). Turn left. Initially this is a two lane entry to the University but will narrow to a single lane immediately upon entering. It dead ends at a stop sign at Santa Barbara Ave. Turn right and then left onto Ventura Rd (no other options). Then turn right immediately into lot A4. This is the closest lot for OB / Rally. Please be sure to display your parking permit. You must get a parking permit daily from the parking Kiosk located between the A3 and A11 lots.

You may NOT park in the parking spots along the front marked "Carpool Permit Required". You may use any handicapped parking spots along the front as long as you have proper handicapped plaques or license plates.

RV Parking: Take the 2nd right on Ventura St., past the A4 parking lot and proceed to the back A11 lot. We have a few reserved (guaranteed) spots. RV parking is reserved at entry and is \$30/day (send in with entry). If not reserved in advance, we cannot guarantee there will be an RV spot available. If the RV/Van is small enough to fit in a normal parking space they can use lot A4. Overnight stays ARE allowed, no hook ups.

PARKING. We are not doing pre-pay parking this year (aside from RV parking). We will still primarily be using lot A4. Upon arrival you will need to get a parking permit (\$6) from the parking kiosk (located between lots A4 and A11). We are not guaranteed all the spots in A4, so overflow parking will be lots A11 and A3.

\$6 per day parking available in lot A3. This is the lot just as you enter where the double lane narrows to one. This lot is a little farther away than A4. You need to use a walkway over the wash and into the park / showgrounds. This lot has extra space and can accommodate any size vehicle.

SPECIAL SET UP INSTRUCTIONS: All EZ ups must be kept with at least 3 feet space apart from each other. There is a LOT of shade available at this site, so many may not need EZ ups. Parking is immediately adjacent to the rings, so you can work out of your car. Rings will be enclosed aside from the gates in / out.

There will be ample trashcans available. Please pick up after your dogs and your humans so we can continue to use this lovely new site!

Please follow this link for a map of the University including parking areas.
